# INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF EUROPA FC LIMITED

## Report on the Audit of the Financial Statements

### Opinion

We have audited the financial statements of **Europa FC Limited** (the Company), which comprise the statement of financial position as at 31 December 2024, and the income statement, statement of changes in equity and statement of cashflows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements:

 give a true and fair view of the state of the company's affairs as at 31 December 2024 and of the company's loss and cashflows for the year then ended;

have been properly prepared in accordance with Financial Reporting Standard 102 ('FRS 102'), 'The Financial Reporting Standard issued by the United Kingdom Financial Reporting Council, as applied pursuant to the requirements of the Gibraltar Companies Act.

### **Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants Code of Ethics for Professional Accountants (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Conclusions relating to going concern

In forming our opinion on the financial statements, which is not qualified, we have considered the adequacy of the disclosure made in Note 1a to the accounts concerning the Company's ability to continue as going concern. As explained in Note 1a to the accounts, indicate the existence of a possible uncertainty which may cast doubt about the Company's ability to continue as going concern. The financial statements do not include the adjustments that would result if the Company was unable to continue as going concern.

## Responsibilities of the director for the financial statements

The directors are responsible for the preparation of financial statements that give a true and fair view in accordance with applicable law in Gibraltar and Gibraltar Financial Reporting Standards, and for such internal control as the director determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the director either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

# INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF EUROPA FC LIMITED — continued

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of expressing
  an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the director.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the director regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

# INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF EUROPA FC CLUB LIMITED — continued

Confirmation as required by the Gibraltar Football Association club licensing regulations
We confirm that the Company's financial statements comply with the accounting requirements set out in Annex 3 of the Gibraltar Football Association club licensing regulations.

This report, including the opinion, has been prepared for and only for the company's members and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

The financial statements are prepared in sterling, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest  $\pounds$ .

The preparation of financial statements in conformity with GFRS 102 requires the use of certain critical accounting estimates. Critical accounting estimates and judgements made by management in the application of GFRS 102 that have significant effects on the financial statements are disclosed, where applicable, in the relevant notes to the financial statements.

As a result of the Company's simple business structure there are no critical accounting estimates or judgements to be made by management.

The financial statements have been prepared on a going concern basis, which assumes that the Company will continue to exist for the foreseeable future, on the basis that the shareholders have confirmed that the Company has sufficient financial support to continue to trade.
